

BRIDGE

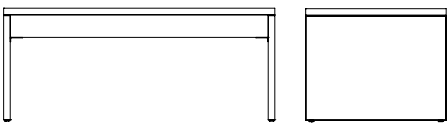

Worden Bridge

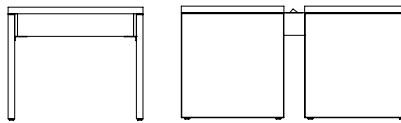

Ideas to get you started.

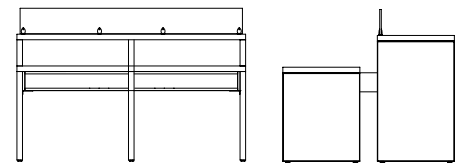

Check the Price List for additional Bridge offerings.

Table

Double-Face Table with connecting bridge

Multi-height Computer Station

Bridge the gap.

Meet Bridge, linking style and function into a beautiful modern design. It's simple, but oh-so stylish and certain to meld into any space. Add electrical to keep you charged or an SSL light to shed a little extra light on your work. Bridge is available in oak, maple or cherry in a variety of finishes. Come on over and discover the possibilities.
